Appointment – Junior National Head Coach et al

In keeping with the RowSA International Commission's commitment to excellence, it was identified that the full-time appointment of a Junior National Head Coach was essential for the ongoing success of our National Squads.

We needed greater consistency and a deeper understanding of the technical approach to competitive coaching and talent management across our community.

A candidate within our National Squad system with coaching experience at the highest international level and with knowledge of both Junior and Senior environments was required.

The role would support coaching at School, University and Club level, oversee the Junior National Squad process, assist athletes and coaches in the transition from Junior to Senior ranks and provide the grass roots support needed to transform and achieve success for our Federation at International events.

It is with great pleasure that the International Commission announces the appointment of Andrew Grant to the position of Junior National Head Coach. This complements his current role on the RowSA executive committee as chair of the Coaching Commission.

Should you have any questions, please don't hesitate to contact the undersigned.
Please also do not hesitate to contact AJ for any immediate input or support you may require.

Yours faithfully,

Roger Barrow
